A special thanks to guests who return annually to enjoy Brindley's and the Leech Lake area. Each departing guest has first option on reserving the same cottage for the equivalent period in the next year.

If a reservation is made before January of the reservation year, a \$50 (\$100 for 4 and 5 bedroom units) non-refundable partial deposit is required to reserve each lodging unit. To confirm this reservation we require a deposit of two times the pretax summer nightly rental rate (less any partial deposits). In early December of the year before your reservation we will notify you of the remaining required deposit, typically due February 1.

For reservations made after January 1 of the reservation year, we require a deposit of two times the pretax summer nightly rental rate. We will hold new telephone reservations for up to 10 days while payment is issued and mailed. If no deposit is received within 10 days, the reservation may be canceled and any unit(s) requested will be made available for rental by others.

You are responsible for payment of cottage rent and tax for the full length of your confirmed reservation.
